**IMPORTANT INFORMATION REGARDING YOUR
SC TELCO FEDERAL CREDIT UNION LOAN ACCOUNT(S) PAYMENTS**

Dear Member,

All SC Telco Florence accounts were fully converted to South Carolina Federal Credit Union on October 2, 2018. As previously communicated, your open end loan(s) from SC Telco will continue to have the same rate and terms with South Carolina Federal.

While your open end loan(s) will have the same rate and terms, after a regulatory review, your current weekly or biweekly payment schedule requires a change to your payment frequency. Regulations have specific timing requirements related to providing periodic statements in relation to payment due dates. **Effective November 30, 2018, your loan will convert to a monthly payment, with payments due on the last day of the month. Weekly or biweekly loan payments can continue but please ensure that your monthly loan payments are paid in full by the end of each month.**

South Carolina Federal loan payment options include:

- Online Banking – set up payments for your loan in our convenient online banking system. You can also set up recurring payments to ensure your South Carolina Federal loan payments are made on time each month.
- Mobile Apps – once you are setup in Online Banking, you can schedule a payment in seconds using our mobile apps for iPhone and Android.
- Financial Center – stop by any convenient financial center location to make a payment.
- Phone – simply call 843-519-8300 and transfer funds for South Carolina Federal payments by phone.
- Mail – mail your payment to:

South Carolina Federal Credit Union
PO Box 62349
North Charleston, SC 29419-2349

As a reminder, if you had automated loan payments setup with SC Telco, either through a payroll deduction or recurring transfer, please connect with us to reestablish those automated payments or discuss other payment options.

If you have any questions about your account(s), please call 843-519-8300 or visit a Florence financial center.

Sincerely,

South Carolina Federal Credit Union
