CREDIT UNION

**IMPORTANT INFORMATION REGARDING YOUR
SC TELCO FEDERAL CREDIT UNION MEMBERSHIP**

August 14, 2018

Dear Member:

As you may already be aware, South Carolina Federal Credit Union is pleased to have acquired SC Telco Federal Credit Union's Florence branch operations, via a spinoff. This is the result of a June 13, 2018 member vote to approve the change and we are thrilled to welcome our newest members to the South Carolina Federal family. SC Telco account data, as of September 30, 2018, will be transferred to South Carolina Federal. October 1 will be a transitional day, and all account information will be fully integrated to South Carolina Federal by October 2. Our goal is to make this a simple transition for you.

The SC Telco ATM will be removed September 25, 2018. A new South Carolina Federal ATM will be installed in early October.

With a few exceptions, all SC Telco accounts will transfer to corresponding South Carolina Federal accounts. In the coming weeks you will receive account specific information with important details and key dates, explaining exactly what to expect through the transition period. In the meantime, please visit scfederal.org to learn more about South Carolina Federal's LifeSimplified products, services, and locations.

Please refer to the enclosed Rate and Fee Schedule and Account Agreement for important information about the products and services offered by South Carolina Federal and review the Frequently Asked Questions. If you have any questions or concerns, please feel free to visit our Cashua and Palmetto locations (191 South Cashua Drive and 1937 East Palmetto Street, respectively).

On behalf of the management and staff of South Carolina Federal, we look forward to serving you.

Sincerely,

South Carolina Federal Credit Union
