National Credit Union Youth Week™, April 21–27

Savings Sleuth— Solve the Mystery™

Are you drawn to the super sleuthing powers of great detectives? Did you know you have the power to uncover clues to a great mystery too? By opening a South Carolina Federal Credit Union [Kids Club account](#), you can discover clues that will help you learn how to save money, which can help you buy the things you want.

Whatever you want to save up for, we have the tools that can help you close the case, and a credit union account is just the place to start. **We'll be giving out prizes to youth members of all ages who make a deposit of \$10 or more during the week-long event** (while supplies last).* You won't want to miss it!

*Official Rules can be requested at a branch location or online at scfederal.org.

Be SuperSaver—

The superhero with saving super powers!

What do Superman, Batman and Spiderman all have in common? Why, everything they do is...SUPER! And just like all your favorite superheroes, you too can become super at plenty of things, including saving. In fact, with South Carolina Federal Credit Union on your side, you can become SuperSaver in no time!

Are you ready to begin your SuperSaver transformation? Simply deposit your money into your [Kids Club account](#). South Carolina Federal, your trusty sidekick, will help your money turn into super savings by paying you dividends for every dollar you deposit. It's like getting paid to save your money!

The more you save, the more dividends you will earn. South Carolina Federal helps your money add up faster, and we keep it nice and safe too. That makes you SuperSaver every time you make a deposit to your credit union account.

Earth Day Fun Facts

Earth Day is a day to appreciate the Earth's natural environment.

Earth Day is celebrated every year on April 22.

Earth Day was founded by Senator Gaylord Nelson in 1970.

Twenty million people participated in the first Earth Day.

Earth Day is now observed by 175 countries around the world.

In some elementary schools, Earth Day is one of the top celebrated holidays, after Halloween and Christmas.
