

# It's your Turn to earn!

Earning money isn't just for adults—you can do it, too! While your parent may go to work at an office, business, or store, many people work from home. That could be a great option for you, too.

- Help out around the house (sort laundry, put toys away, clean windows, fold towels, put shoes away, wipe down surfaces, set the table, dust, etc.).
- Help neighbors, friends, and relatives water plants and flowers.
- Clean out your room and make a pile of things you don't need, want, or use anymore. Ask an adult to help you sell or donate anything that's still in good shape.
- Ask an adult to help you bake goodies to sell to friends, neighbors, and relatives.
