National Credit Union Youth Week™

April 20–26

Are you ready to Hang Ten? Join us for National Credit Union Youth Week as we celebrate our younger members with this year's exciting beach theme, Catch the \$ave Wave! When you have your mom or dad bring you by the Credit Union during the week of April 20–26, you'll see just how much fun it can be to visit and save right here at the Credit Union. We'll be giving out prizes to youth members who make a deposit of \$10 or more during the week-long event (while supplies last).* You won't want to miss it!

*Official rules can be requested at a branch location or online at scfederal.org.

You Can Make a Difference

Have you noticed things in your neighborhood or community that you'd like to change? Is there litter in your local park, kids being bullied at your school or an elderly neighbor who seems lonely? Sometimes young people can have the biggest impact on those around us and on our environment. So, if there's something you've noticed that needs to be done, try following these simple steps to make a difference in the world and to the people around you. Please be sure to talk to your parents first to make sure they're okay with your plan.

- Figure out what you want to see happen. For example: maybe you would like to see your park become cleaner.
- Write down what you need to do to reach your goal.
- Share your ideas and ask for help from your parents, teachers or grandparents.
- Find out if anyone else is interested in helping you, like your mom, dad, teacher or friends. If they are, start a group to help fix the problem.

Whether you visit with your elderly neighbor to help them pull weeds or pick up garbage on the sidewalk, every little thing you do makes a BIG difference to people around you. So go ahead—get out there and make a difference!
