## Introduction to Money

If you don't already, you will probably soon start earning money for doing chores around the house. Or maybe you sometimes receive cash for your birthday or for the holidays. If you decide to spend your money, whether on toys, candy, games or movies, you'll need to know how much each of your coins are worth in order to know how much money you have to spend. Are you ready to learn a little something about money? Great, let's get started!

### Coins

Coins come in different sizes, and sometimes, even different colors! The front of each coin has a picture of a person on it, and somewhere on each coin it says how much it is worth.

The **penny** is worth **1 cent**.

The **nickel** is worth **5 cents**.

The **dime** is worth **10 cents**.

The **quarter** is worth **25 cents**.

The **half dollar** is worth **50 cents**.

The **Sacagawea dollar** is worth **1 dollar**.

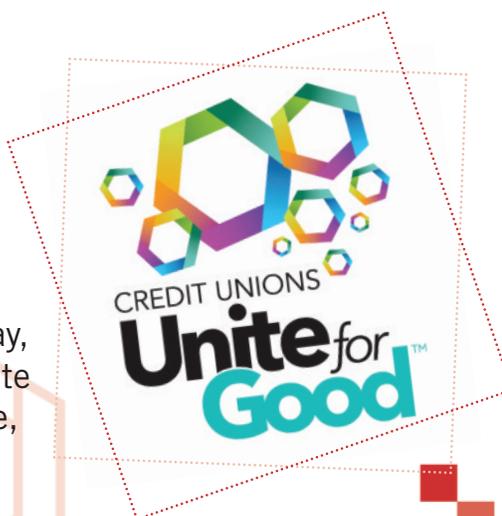

## International Credit Union Day®

Credit Unions Unite for Good™

Thursday, October 17, 2013

As a member of South Carolina Federal Credit Union, you're part of something so big and so great that more than 186 million people around the world celebrate it every year! On that special day, called International Credit Union Day, credit unions and their members celebrate the impact credit unions make on people, families and communities.

This year, International Credit Union Day is Thursday, October 17, and we invite you to come celebrate with us here at South Carolina Federal. Bring your friends with you too. That way, we can share with them all the great things a credit union can do for them!

### Tutti Fruity Crispy Candy

Mmmm...here's a sweet and salty recipe to make with your mom or dad.

#### Ingredients:

1 (24 oz.) package of vanilla candy coating, broken up  
2½ cups sweetened fruit-flavored cereal (like Kellogg's® Froot Loops®)

1 cup thin pretzel sticks, coarsely broken

#### Preparation:

Line a lightly greased 15" x 10" jelly-roll pan with wax or parchment paper. Melt candy coating in a large microwave-safe bowl according to package directions. Gently stir in cereal and pretzels. Spread candy onto wax paper. Let stand one hour or until firm (do not refrigerate). Break candy into pieces. Store in an airtight container.

Federally insured by NCUA
